With budget cutbacks affecting schools, the West Harris County Branch of the Association of University Women (AAUW) is providing a **limited number of transportation grants** to help schools and Girl Scout troops send students to its Expanding Your Horizons (EYH) program Saturday, February 25. Registration may be combined with other schools/organizations to meet the 20-girl minimum requirement. By applying, you agree that money received will be used toward transportation to and from Spring Forest Middle School on February 25, 2017 and that you retain full responsibility for the safety of the students and adults who accompany them.

As noted above, each application for the transportation grant must be accompanied by applications for at least 20 students to attend the EYH workshops and by payments of \$6 for each student and adult attending the workshops outlined in the 2017 EYH brochure.

The February 1, 2017 deadline is firm; only packets received by that date or sooner will be considered. Notice of acceptance or regrets will be sent by email. Please complete the form on the following page and mail to the following address:
