

Transportation Grant Application for 2019 EYH Event

- There is a firm deadline of February 1, 2019. However, grant funding will close when the budgeted amount has been reached.
 - Paid application forms for attending the 2019 EYH event for **at least 20 girls** must accompany this application.
-

Expanding Your Horizons (EYH) is providing a limited number of \$100 transportation grants to help schools send students to the program on Saturday, February 23. Registration may be combined with other schools to meet the 20-girl minimum requirement. By applying, you agree that money received will be used toward transportation to and from Spring Forest Middle School on February 23, 2019 and that you retain full responsibility for the safety of the students and adults who accompany them.

As noted above, each application for the transportation grant must be accompanied by applications for **at least 20 students** to attend the EYH workshops and by payments of \$6 for each student and adult attending the workshops outlined in the 2019 EYH brochure.

The February 1 deadline is firm; only packets received by that date or sooner will be considered. Notice of acceptance or regrets will be sent by e-mail. Check for \$100 will be made payable to the school; sponsoring teacher should pick up check from EYH Treasurer on the day of the event (February 23).
